

ZUG INTERNATIONAL WOMEN'S CLUB - CHARITY PROJECT 2024-2025

November/Dezember 2024 Connect Magazine

Styger Stiftung für Kinder

During this Club year of 2024-2025, ZIWC is supporting the 'Styger Stiftung für Kinder' as its charitable organisation of choice. The Foundation

was set up in 2010 by Simone & Marco Styger. President Simone Styger runs the foundation together with her husband Marco Styger and four associates.

The aim/purpose of the Foundation is to support children in Switzerland who need extra social support. Helping children who are cared for in shelters is the main focus for the organisation. Here are a few examples of projects they have supported:

- Children who would like to attend a school camp, music lessons or be member of a sports club, but whose parents/or the home they live in have insufficient funds to support this
- Easter Bunny visits to Children's Home 'Chinderhuus Sonneschii'
- Supporting children/young adult empowerment (Projekt Vivavoce)
- Supporting Spielgruppe Crami, Zurich (playgroup), needing outdoorwear so that children can play outside in all weathers

All proceeds raised go directly to the projects, running costs of the Foundation are paid by Styger & Partner, the Investment Company of Simone & Marco Styger.

As many of you know it is tradition for the Club to organise a raffle during the Seasonal Evening where you can win wonderful prizes. New this year, we are introducing a second raffle with the more exclusive prizes to be won.

Saakje Daalhuijsen-Beijnen
ZIWC Charity Coordinator 2024-2025
